

The College of Fashion Design and the Secondary School of Clothing
Jablonského 3, Prague 7, 170 00, Czech Republic

ANNOUNCES the 16th International Young Fashion Designers Contest

FASHION GAMES 2020

On the theme TransForm

Contest rules:

Students of secondary schools, colleges or universities in the Czech Republic and abroad may enter.

Entries submitted to the contest must include 3 fashion outfits with elements of SCI - FI.

The outfits must not have been previously submitted to any other competition or judged anywhere else.

Contest calendar:

1. Design:

Your collection must be recorded on a labeled CD and sent, along with a completed application form (see the attachment) to our address no later than April 13, 2020.
(VOŠON a SPŠO, Jablonského 3, 170 00, Praha 7, Czech Republic)

The CD must include:

- a) The author's concept and a description of the collection/project
- b) Sources of inspiration
- c) The design part of the collection
- d) A short written summary of the collection with details of the materials used for the outfits.

A committee of experts headed by fashion designer Monika Drápalová will select the participants on the basis of:

- Originality of the ideas
- The quality of presentation.

By May 15, 2020, successful participants will receive notice of the committee's selection and further instructions at both their email and school addresses.

2. The Presentation

A public presentation of the designs, assessment of sources of inspiration and the quality of tailoring.

The final show will take place :

- **September, 2020**
- **International Trade Fair FOR BEAUTY 2020, PVA EXPO LETŇANY – Prague.**

Fashion professionals, the public, media and representatives of the participating countries will be invited.

PRIZES

First place: 5-day trip to autumn/spring International Trade Fair in Paris or Florence
